1. Introduction

- 1.1 In compliance with Section 49 of the Local Government Act 1999 (**Act**), Council should refer to this policy (**Policy**) when disposing of Land and Assets.
- 1.2 This Policy seeks to:
 - 1.2.1 define the methods by which Land and Assets are disposed of;
 - 1.2.2 demonstrate accountability and responsibility of Council to ratepayers;
 - 1.2.3 be fair and equitable to all parties involved;
 - 1.2.4 enable all processes to be monitored and recorded; and
 - 1.2.5 ensure that the best possible outcome is achieved for the Council.
- 1.3 Furthermore, Section 49 (a1) of the Act requires Council to develop and maintain policies, practices and procedures directed towards:
 - 1.3.1 obtaining value in the expenditure of public money; and
 - 1.3.2 providing for ethical and fair treatment of participants; and
 - 1.3.3 ensuring probity, accountability and transparency in all disposal processes.

- 1.4 However, this Policy does not cover:
- 1.4.1 Land sold by Council for the non-payment of rates; or
 - 1.4.2 disposal of goods which are not owned by the Council, such as abandoned vehicles;
- as these are dealt with in the Act.

2. Definitions

In this Policy, unless the contrary intention appears, these words have the following meanings:

- 2.1 **Asset** means any physical item that the Council owns and that has at any time been treated pursuant to the Australian Accounting Standards as an 'asset', and includes Major Plant and Equipment and Minor Plant and Equipment. It **does not include** financial investments or finance related activities, trees or Land.
- 2.2 **Land** includes community land, vacant land, operational land, road reserves, any legal interest in land, and any other land-related assets, including all buildings (community and operational) on Land.
- 2.3 **Major Plant and Equipment** includes all major machinery and equipment owned by the Council. It includes all trucks, graders, other operating machinery and major plant items. It does not include Minor Plant and Equipment.
- 2.4 **Minor Plant and Equipment** includes all minor plant and equipment owned by Council. It includes all loose tools, store items, furniture, second hand items removed from Major Plant and Equipment (such as air conditioners, bricks and pavers) and surplus bulk items (such as sand and gravel).

3. Policy principles

Council must have regard to the following principles in its disposal of Land and Assets:

- 3.1 *Encouragement of open and effective competition*
- 3.2 *Obtaining Value for Money*
- 3.2.1 This is not restricted to price alone.
 - 3.2.2 An assessment of value for money must include consideration of (where applicable):
 - 3.2.2.1 the contribution to Council's long term financial plan and strategic management plans;
 - 3.2.2.2 any relevant direct and indirect benefits to Council, both tangible and intangible;

- 3.2.2.3 efficiency and effectiveness;
- 3.2.2.4 the costs of various disposal methods;
- 3.2.2.5 internal administration costs;
- 3.2.2.6 risk exposure; and
- 3.2.2.7 the value of any associated environmental benefits.

3.2.3 That upon the scheduled replacement of a Council mower, in lieu of the plant being offered for trade in through a dealership, they may be advertised for public tender.

That those eligible for submission of tender generally be not for profit community groups within the Council area with responsibility for management of land as part of their function.

That a reserve price be determined at each use of this policy to negate or limit the financial impact on Council of an open tender process.

That in determining a reserve price consideration be given to the written down value of the plant and market value of like plant.

3.2.4 Council land or assets must be determined to be surplus to the needs of Council prior to the consideration of sale or disposal of that land or asset.

3.3 *Ethical Behaviour and Fair Dealing*

Council is to behave with impartiality, fairness, independence, openness and integrity in all discussions and negotiations.

3.4 *Probity, Accountability, Transparency and Reporting*
