E-Waste Televisions, Computers, Printers, Keyboards, etc.	No charge

Please Note
*Clean timber includes timber that can be recycled and/or burned
** Tonnage rate charges require a weigh bridge docket to be obtained just prior to visiting the Waste Transfer Station
> 8 x 5 trailer and Commercial waste concrete and bricks are referred to the Cleanaway facility in Monash
Asbestos, hardiplank, fibre cement sheeting and villa board is not accepted
Tiles are not permitted in loads of concrete/rubble as they are not acceptable for reuse. Tiles will need to be disposed of as general waste.
Sorting loads into different waste streams will result in a reduction to the fees and charges above
The Waste Transfer Station attendants have the right to refuse any load
