A. Purpose

Council, on the recommendation of the administering authority accepts the need for a clearly defined refurbishment policy for the units of the Loxton Retirement Village.

B. Principles

Council agrees that the refurbishment policy will establish the principle of payment for refurbishment for normal wear and tear on remarketing of a unit.

Council accepts that payment for refurbishment will be as follows:-

- The outgoing tenant or estate of the outgoing tenant will pay refurbishment costs in relation to remarketing of the unit excluding fair wear & tear.
- Where it is council's responsibility to fund the refurbishment it will be funded from the refurbishment account.

Where the administering authority decides to make improvements to a unit during refurbishment, for example, but not limited to; floor tiling, carpeting or cupboard alterations, then the cost of those improvements will be added to the premium of the incoming resident.

This Policy will be available for inspection at the Council Offices at Loxton or Waikerie during ordinary business hours at no charge.
