

## **District Council of Loxton Waikerie**

The community encompassed within the District Council of Loxton Waikerie offers a broad range of health, education and sporting facilities, which are supported by a range of industries including horticulture, farming, tourism and retail. We enjoy a beautiful natural environment centred on the River Murray, complemented by quality food and wine experiences, with opportunities for the whole family, just a few hours from the Adelaide metropolitan area.

### **ENVIRONMENTAL HEALTH OFFICER**

Council is seeking a skilled and motivated professional to join us as the Environmental Health Officer, working as an important part of the Environmental Services team. The Environmental Health Officer will be responsible for functions under the SA Public Health and Food Acts.

The successful candidate will have qualifications which will allow appointment as an authorised officer. The person will be able to demonstrate support for Council's values, with respect, integrity and professionalism displayed at all times. The ability to demonstrate great customer service and community engagement is essential.

To attract our ideal candidate a competitive salary up to Level 6 of the SA Municipal Salaried Officers Award General Officer Stream and Council's Enterprise Bargaining Agreement, will be offered depending on qualifications, skills and experience, with the provision of a fit for purpose vehicle including private use. Council also offers flexible working arrangements to support a great work/life balance, including rostered days off, together with salary sacrificing, training opportunities and a healthy lifestyle program including annual skin cancer checks and flu vaccinations. This is a chance to broaden your career in a supportive team environment.

### **SUBMITTING YOUR APPLICATION**

Applicants should address the Key Result Areas to support a current resume, together with a covering letter. All applications must be submitted via email to [council@lwdc.sa.gov.au](mailto:council@lwdc.sa.gov.au)

**Applications will be received until 12 noon on  
Wednesday 11 March 2020**

Further information regarding this position can be obtained by contacting the Manager of Environmental Services, Cheryle Pedler on 08 8584 8000.
