## **MEDIA RELEASE**

### **FOR IMMEDIATE RELEASE**

**Dated: 9 July 2018**

## **Waikerie Delivers – Waikerie Riverfront and Trail Master Plan Update**

Waikerie Delivers, a local committee consisting of ten local representatives and two Loxton Waikerie Council representatives, unanimously voted on Tuesday night (3 July 2018) to recommend to the District Council of Loxton Waikerie that two of three concept drawings presented for discussion be developed in further detail.

Council CEO David Beaton said “The concepts presented on the night by Stuart Haseltine prompted discussion and debate regarding the potential direction for revitalising and improving the riverfront. However, they are a work in progress and lack the detail to be used for public consultation and nor are they yet endorsed by Council”

He added “It is important for community consultation to occur but for that to be effective more detail is required. Waikerie Delivers and Council are committed to working with the Waikerie community to deliver the best outcomes and future for Waikerie. This process will take months as the local government election “Caretaker Period” commences in September 2018, so final decisions are not expected to be made before 2019.

A copy of a link to the minutes of the meeting is attached which includes the plans that were presented on Tuesday night.
